Electrolux Professional
Bermixer PRO

As easy as eating dessert

The Company reserves the right to change specifications without notice. Pictures are not contractual.

Bermixer PRO

Easy. Safe. Efficient.

Weights less than 4kg!

New features:

Smart Speed Control

Autoregulation of the power, based on the load consistency to ensure a longer life and reduced vibrations

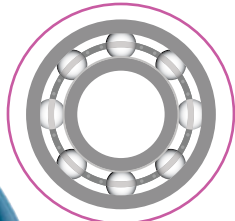

New Bayonet

system guarantees reliable connection between motor base and tool despite preparation consistency

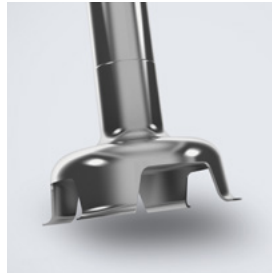

New Bell Knife limits access to the rotating blade

New ball bearing these new and improved bearings guarantee a longer lasting durability

A lot of reasons to choose Bermixer PRO

International Standards

in line with the highest international safety standards which require limited access to rotating knife.

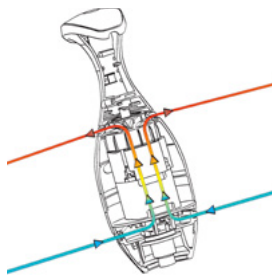

Flexibility

the variable speed permits the possibility of expanding the area of the use with different food recipes.

Food Safety

Quick and easy disassemble of tube, shaft and blade without tools and dish-washable safe for better sanitation.

Air cooling system

permits to work longer without overheating.

Bermixer PRO

Working hard for a hard working device

Better performance and longer life is what you will encounter when using the upgraded Bermixer PRO along with all the characteristics which make this product the one and only Bermixer.

From 50 to 300 meals a day.
